> BRANCH BANK Evansville, ? May 26, 1948.

To the Editor of the Commercial: My attention has been called to a paragraph in the Journal of this morning taken from the uation or appraisement laws.

G. B. WALKER, Executor. one of the Branches, sent to New Orleans to buy exchange, had been taken in some \$20,000 by a purchase of drafts on Lake & Co., who recently failed. The Journal inquires: "Which Branch was it-who knows?"

I should not notice this matter, but for the fact that the President of this Bank having been to New Orleans investing our Southern funds, some have inferred from the statement and enquity, that ours is the unfortunate Branch .-Such is not the case. We have not at any time held any drafts of Lake & Co., nor sus-

We have more con- ten acres in the north east corner of the east half of fidence in the sagacity and prudence of the Township number six, south of range number nine President than to believe he can be caught in such shoal water. If such should prove to be the case, we may expect very amusing developments.
